

Leadership Education for Asian Pacific (LEAP), Inc. with the support of **NISSAN** presents the:

2010 LEADERSHIP IN ACTION Summer Internship Program

8 weeks at a community organization...

BRIDGING **self** and **community**

Now entering its 13th year, the LEAP Leadership In Action Summer Internship Program provides a unique experience of personal leadership development with hands-on training and placement within the Asian and Pacific Islander (API) Nonprofit Sector.

For 8 weeks:

- Participants are assigned to an approved nonprofit organization
- Receive training centered on Asian and Pacific Islander leadership
- Collaborate on a community group impact project
- Network with like-minded individuals committed to the greater API community

Interns will receive a \$2000 stipend for completing the 8 week summer internship.
